Graduates

KATHERINE AYERS

Quiet and shy
She may appear,
But when you need her,
She's always near.

AMANDA BASHOR

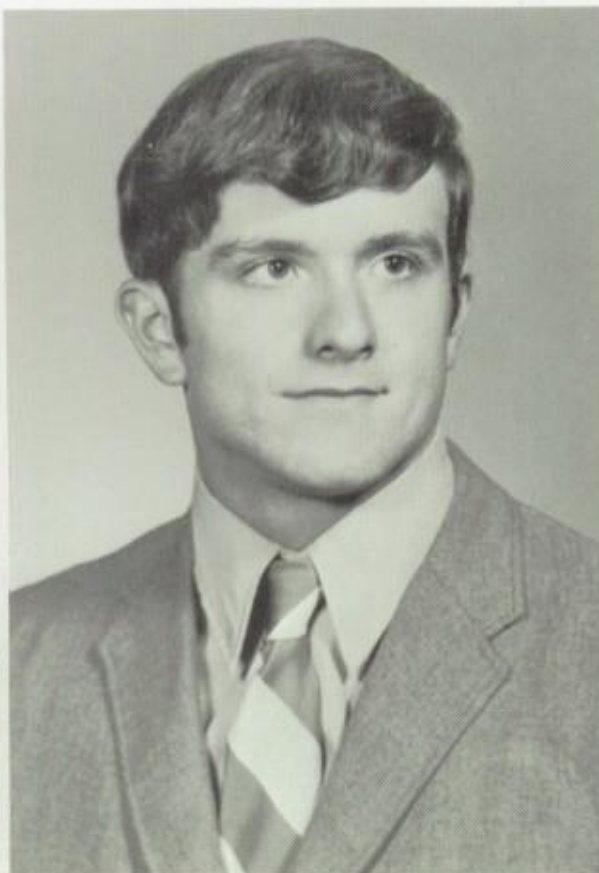

This quiet girl
We knew not well
Has broken her silence
And come out of her shell.

HIGH SCHOOL DAYS PROVIDE RICH EXPERIENCES

KATHY BOATRIGHT

How about this girl!
She's meek and mild,
But wind her up
And she goes hog wild.

BECKY BONWELL

The guys take her out
And give her a whirl.
She knows how to treat them;
She's a man-handler girl.

JOHN BRECKENRIDGE

This guy we know
Is a real soul man.
He'll succeed in life;
He knows he can.

COURTESY OF
GORMAN'S APPAREL

BARBARA CARLSTROM

Just give me a funny line
With gaiety and laughter,
And I'll show you the good time
That you're all after.

CAROLYN COOK

A model I might
Become some day
Because of my lean
And shapely ways.

SENIORS REALIZE THE JOYS OF PARTICIPATION

BETH COTTER

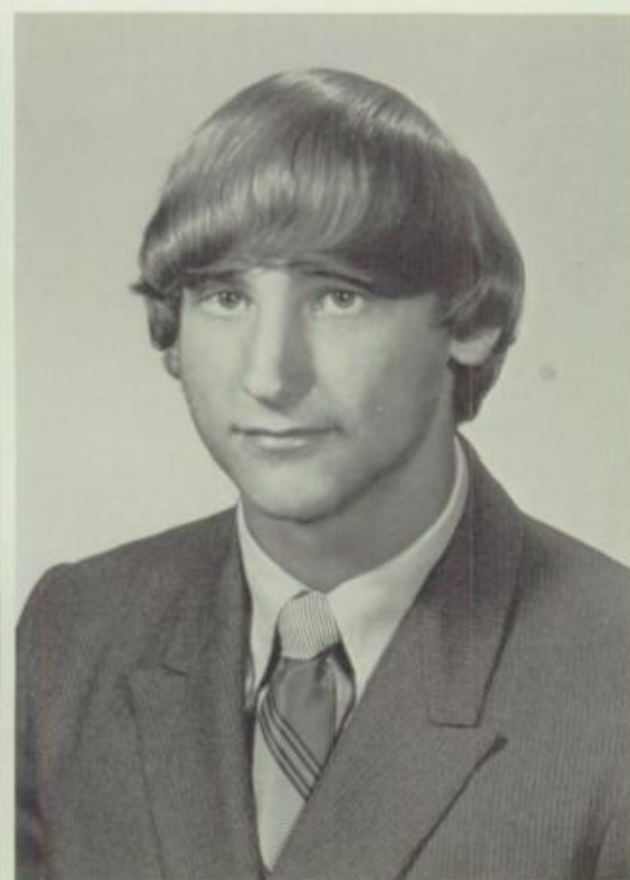

From my four years of cheering,
I have one request.
Let's keep up the spirit
And all do our best.

DON DAFFRON

Give me a car
That has just been gassed,
And I'll hot rod around
For as long as it lasts.

KEVIN DARNELL

My how this guy
Can really "get it on,"
With plenty of soul
To help him along.

NEAL DAVIDSON

Born to be wild
But not let it show.
Give him some time,
And he'll really let go.

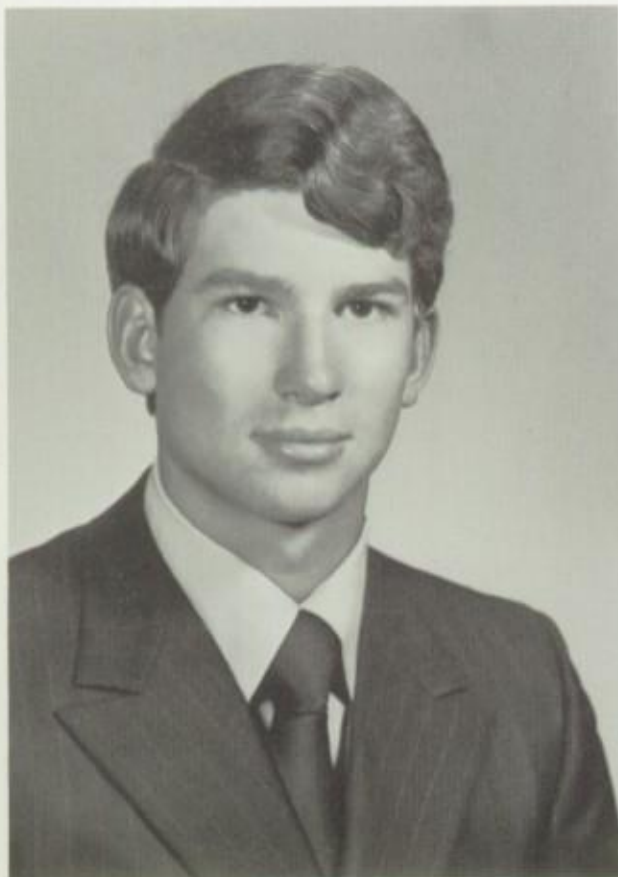

MARCIA DAVIS

So kind and helpful
She's been to all.
If ever you need her,
Just give her a call.

SENIORS POOL ABILITIES FOR BETTERMENT OF KCHS

DEBBIE DIGGS

She's hard to describe;
You'll find it so.
Maybe one of these days,
She'll let us all know.

JAY ESTEP

Just give me time
To make it fit.
Right on brother;
I can dig it.

BRUCE FRY

To one and all
I will be kind.
But don't get me riled
For I'll speak my own mind.

COURTESY OF
BACON'S BARBER AND BEAUTY SHOP

JANITH FRY

A time to help,
A time to please,
A time to make light,
And feel at ease.

TERRI GILLESPIE

Short and sweet
And very neat,
A combination
Hard to beat.

EXCITEMENT MOUNTS DURING THE LAST WEEKS

TERESA GILLIP

You hardly see her
Without a smile;
Laughing, giggling
All the while.

KIRK HALTER

He's music minded
As you all know.
Give him a trumpet
And watch him blow.

DONNIE HAMMER

Through all my life
I plan to be,
Disciplined and tidy
And concerned about me.

ANN HANDLEY

I laugh and I giggle;
It comes natural for me.
I aim for the best
And live happily.

CLARENCE HEIDEMAN

I'll live 'till I die
And farm endlessly.
Don't plow me under,
I've got to be me.

SENIORS TURN SERIOUS AS THEY MEET THE FUTURE.

MIKE HOLEMAN

He's an independent guy
Who doesn't follow the crowd.
He'll lead his own way
And always feel proud.

JIM JACOBY

Because of my tender
And loving care,
I'll always have a girl
With whom I'll be fair.

RICHARD LANCEY

About his own cars
He will constantly brag
And that's why we'll always
Call him "Big Drag."

RICHARD LEBOW

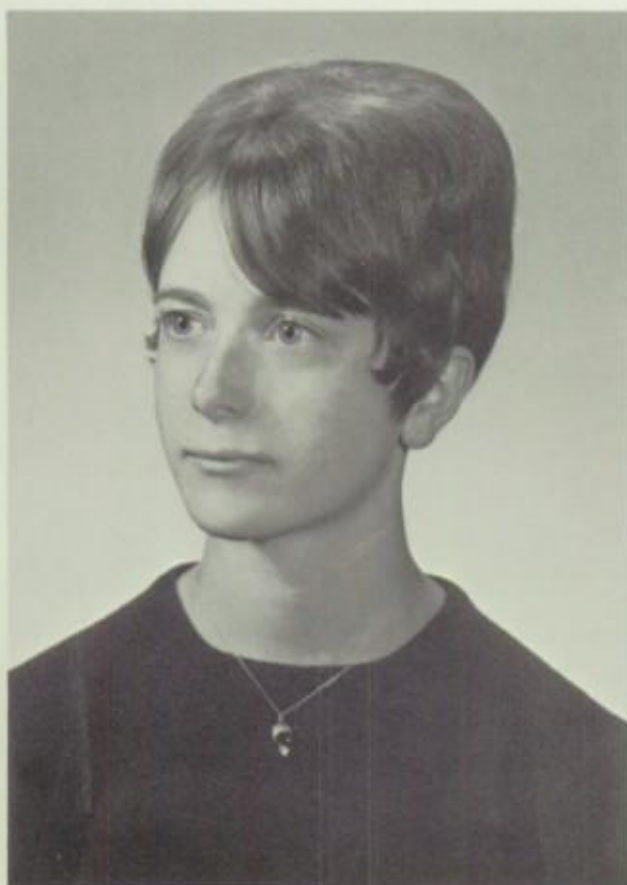

All of his friendliness
Is sure to please.
He's lighthearted, funny,
And loves to tease.

JOHN McMILLAN

Here is a guy
We all know as Stoney.
Give him a saddle
And he'll ride his pony.
And that ain't hay!

SENIORS WELCOME GRADUATION AND FACE GRAVE DECISIONS.

CHERYL MORRISS

I'll laugh and I'll cry
And quite frequently blush.
But I'll take life easy;
There's no use to rush.

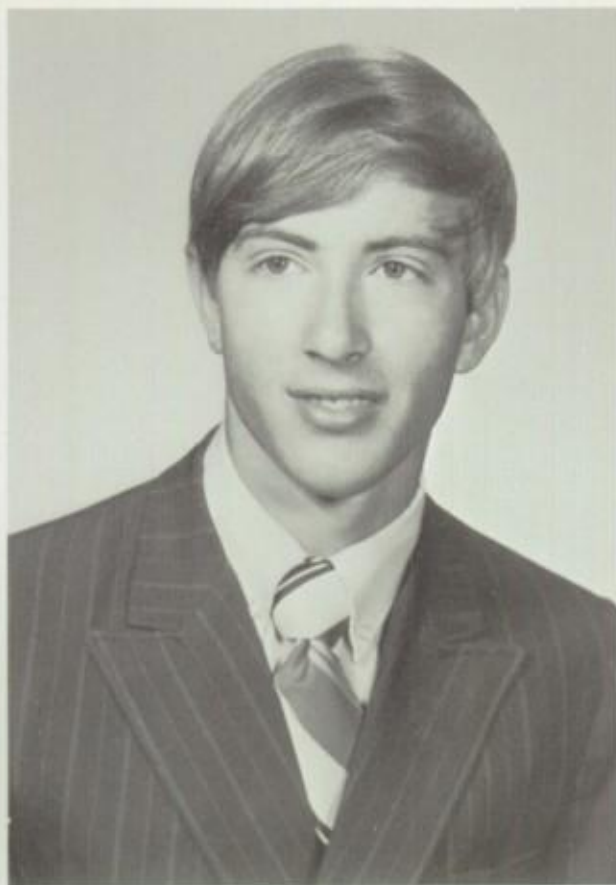

IRENE PIATT

To Einstein she doesn't
Want to compare.
But intelligence like hers
Is very rare.

STEVE RAINEY

Through my life
I'll always be me.
Don't tie me down;
I've got to be free.

LINDA SALSURY

To a book
I am not foreign;
It's the classroom
That is borin'.

GARY SLAYBAUGH

He's as sly as a weasel
But doesn't let it show.
So watch out for this guy;
He's always on the go.

*CAREERS AND COLLEGE
AWAIT US AS WE PONDER
FUTURE PLANS.*

MARY SMITH

At any time
I'll speak my mind.
I've many moods
Of many kinds.

RICHARD SMITH

I'm a guitar picker
From 'ol Mizzou;
Just give me a tune
And I'll play it for you.

STANLEY SMITH

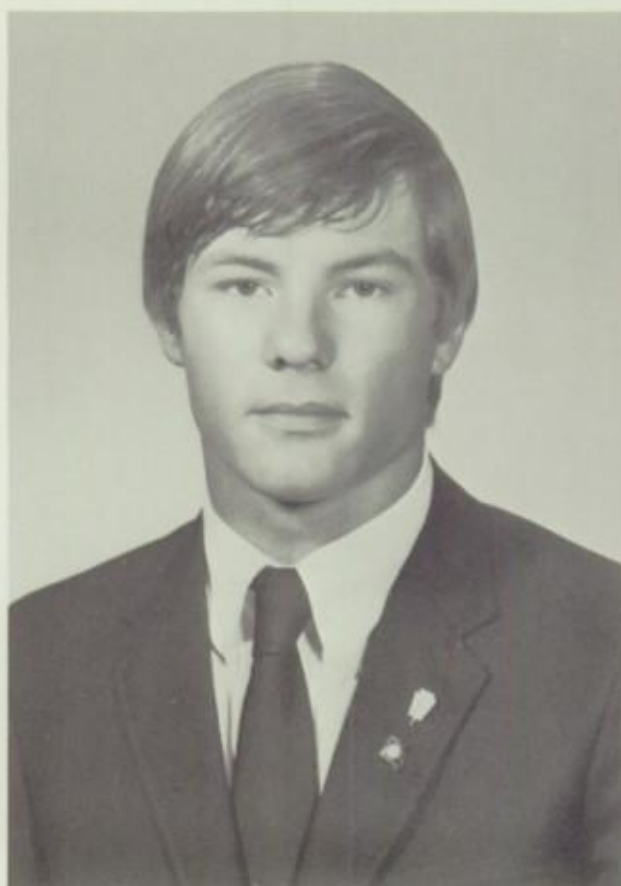

"I don't know"
Is my most common expression,
But these few words
Create a wrong impression.

DONALD SPEER

If Einstein's theory
Could improve my car,
It would always be running
And up to par.

CINDY SPIKING

Get out of my way;
I am on the run.
But I'll be back later
To join the fun.

MAY 20 MARKS SENIORS' LAST DAY

BEVERLY STEGMAN

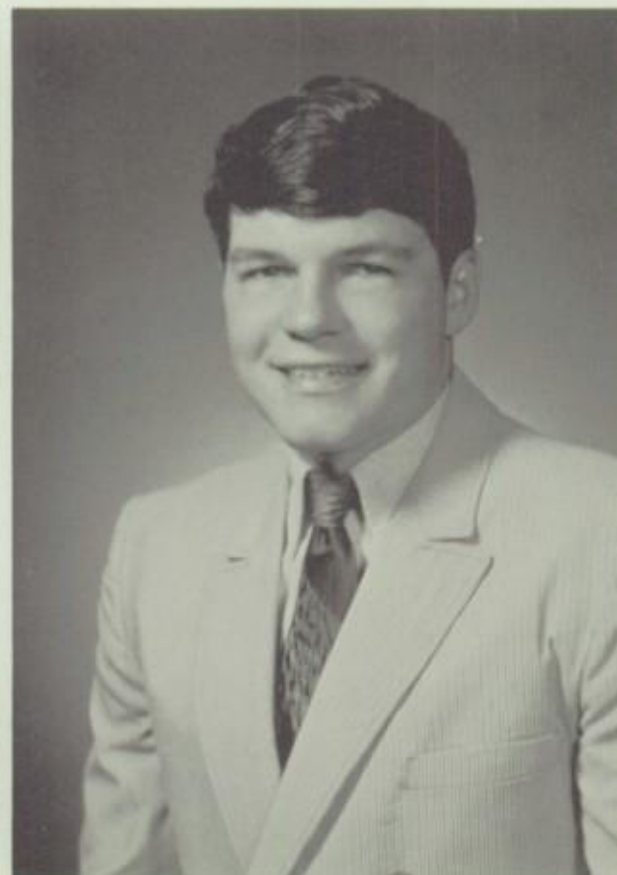

She giggles a lot
As we have found.
And when she laughs,
She "BOBs" up and down.

MARY THOMPSON

Here is a girl
Who knows where she's going.
She's one of the many
Who is well worth knowing.

PHILLIP TOWNSEND

He was our first
Big athlete,
Full of might
He was hard to beat.

RUTH VEALE

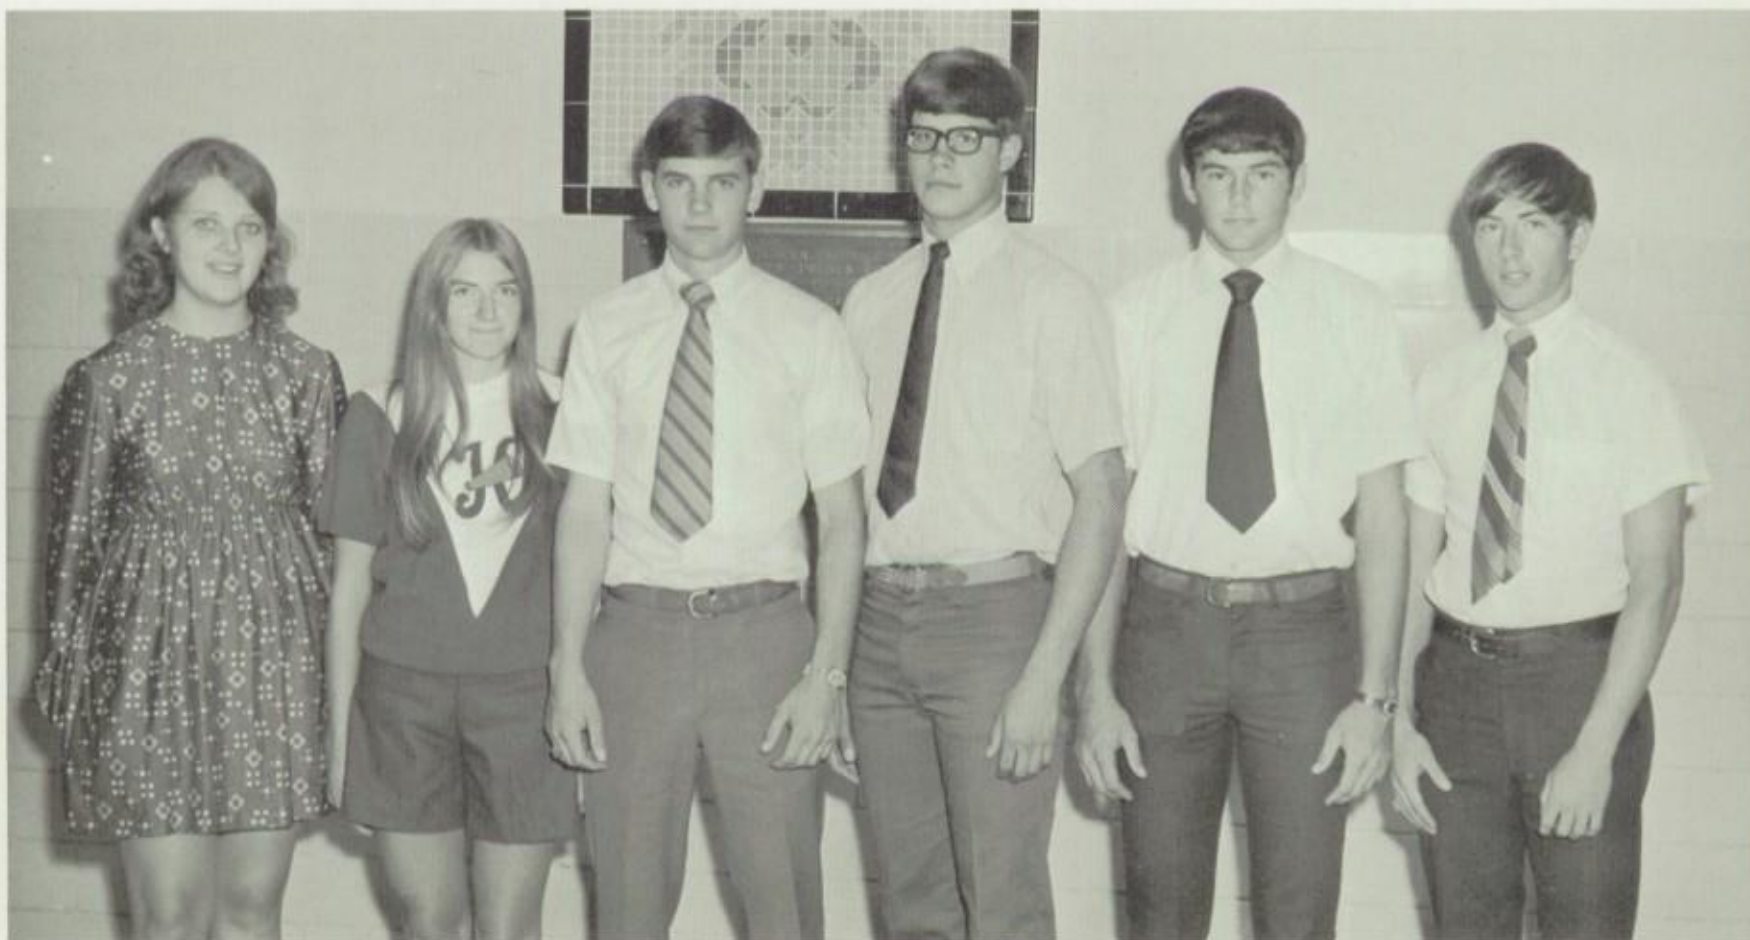

My athletic ability
No one can denounce.
I'm full of pep
And lots of bounce.

OFFICERS

As President of the Student Body, it is my duty to preside at all Student Council meetings. The Student Council is the student's voice to the administration and school board. The members of the council discuss and vote on issues concerning improvement of our school. I feel that the most important office in the Student Council is not the president. The individual representatives are the heart of the council. Our Student Council is only as powerful or influential as it wants to be.

1971 GRADUATION 1971

A FAREWELL TO GRADUATES

If I had known you less I would not grieve
 Seeing the year its course has nearly run.
 I would be glad our task is amost done,
 Glad for the bit of rest we shall receive.
 It would not trouble me to see you leave;
 And, walking through the halls and classrooms where
 We meet so often now, their emptiness
 Would not oppress me when you are not there.
 It would not matter much; I would not care;-
 If I had known you less.
 But I have watched your minds and hearts grow strong,
 Pitted against the problems of the hour;
 And I have felt a deep, upwelling power,
 As, like a mighty wave, you surge along
 Into the future, where your lives belong,-
 The radiant future, where your dreams will grow
 And flower and fruit upon some distant shore.
 To watch your progress there I may not go,
 But I rejoice in prospect even so,
 Knowing the promise you have shown before,
 Certain of its fulfillment more and more.
